INTRODUCTORY

We take pleasure in presenting the **Akron Directory for 1912,** confident that it will meet with the same degree of approval and appreciation accorded past issues Our one great aim and ambition is to make the Directory a model city guide and a valuable asset to each and every business interest, and incidentally the **biggest, busiest, business boomer,** always on the job This volume contains the names of 49 322 individuals, a gain of 6,123 names over last year Using the customary multiple 2, would indicate a present population of 98 644 As heretofore our canvass includes the outlying districts and Kenmore which in a manner, are as much a part of the city as if within the corporate limits

The following figures show the actual number of names contained in the Directory each year since 1906 and is conclusive evidence that "The City of Opportunity" is experiencing a wonderful growth

1906	Names	29,679	Estimated	Population	59,358
1907	"	31 637	"	"	63,274
1908	"	32,763	"	"	65,526
1909	"	35,177	"	"	70,354
1910	"	39,459	"	"	78,918
1911	"	43,199	"	"	86,398
1912	"	**49,322**	"	"	**98,644**

We wish to return our sincere thanks for the liberal patronage extended us by the business people and for the valuable assistance rendered by the citizens in general, making it possible for us to produce this volume of information

Respectfully,

THE BURCH DIRECTORY CO
